And don't forget to complete the Outcomes tab... remember, all you need to do is cut/paste from one column to the next.

My comments are with Tony. I'll check today and see if he's had a chance to look at them. My suggestion is to just send them so Suzanne can start to work on them.

Hi Susan:

I have a final set of ECAD comments on the workplan and before I sent them to IDA I wanted to check and see if you've already sent your comments on or if you wanted to combine comments and send one set. I'm fine to do it either way, just wanted to make sure I was communicating to Suzanne clearly. Let me know what you think.

Thanks,

Claudia

Sorry, I didn't think to look to see if she cc'd you. Here's the original. FYI – the numbers in Don's template don't match this one. He deleted a bunch of stuff.
